

**THE BEST IN LUXURY, FASHION, TRAVEL,
BEAUTY AND LIFESTYLE, BY A PARISIAN DANDY**

When people look at your face, they tend to see your eyes first (40 %), then your mouth (26 %), and your nose (21 %) ... Hence the importance of maintaining a sparkling look in your eyes !

That's what [Mediceutics](#)' « Rénovateur Regard » just does, aiming at reducing the signs of aging to rejuvenate the eye area as a whole. This high-tech formula moisturizes and firms up the skin and eyes, smoothes the wrinkles, and reduces puffiness ... Developed and validated by doctors, it contains an exclusive combination of hyaluronic acid (moisturizing and anti-aging), vitamin C (anti-oxidant, brightening and anti-aging), vitamin E (anti-oxidant, moisturizing and soothing), caffeine (to relieve congestion), etc.

Mediceutics' « Rénovateur Regard » can be used twice a day, and is complementary of the other products of the brand.
